REMOVAL OF BIRDS

No one should remove birds from their pens without one of the sale staff being present to check their purchase receipts -- However the staff are not responsible for the safety of the animals whilst they are being moved and/or loaded. We cannot accept any responsibility for injury/loss or stolen.

NO REFUNDS WHATSOEVER WILL BE MADE

VENDORS

Will all vendors please check at Sale Office before leaving to make sure that all their lots have been sold.

Please do not rely on what you hear during the sale.

PLEASE CHECK CAREFULLY!

Lots left behind cause great inconvenience and we regret that we can no longer accept responsibility for any animals remaining after the sale. If any lot has been left behind and is still on the premises when the cages have to be taken down that lot will be sold for the best offer available at that time, regardless of any reserve, and that amount will be paid to the vendor, less the usual commission.
