PLEASE READ NOTES OVERLEAF CAREFULLY

REMOVAL OF BIRDS

No one should remove birds from their pens without one of the sales staff being present to check their purchase receipts -- However the staff are not responsible for the safety of the animals whilst they are being moved and/or loaded.

We cannot accept any responsibility for injury or loss

NO REFUNDS WHATSOEVER WILL BE MADE

VENDORS

Will all vendors please check at Sale Office before leaving to make sure that all their lots have been sold.

Please do not rely on what you hear during the sale.

PLEASE CHECK CAREFULLY!

Lots left behind cause great inconvenience and we regret that we can no longer accept responsibility for any animals remaining after the sale. If any lot has been left behind and is still on the premises when the cages have to be taken down that lot will be sold for the best offer available at that time, regardless of any reserve, and that amount will be paid to the vendor, less the usual commission.

REGULATIONS & CONDITIONS OF SALE

2. All lots must be cleared from the sale building within one hour of the sale of the final lot.
3. All lots to be sold in pounds (£'s) and the bidding to be PER BIRD. The purchaser to take all birds in the lot.
4. BUYERS NUMBERS will be used - potential buyers should obtain a Buyers Number from the sale office (in exchange for their Name, Address and Telephone Number) prior to the commencement of the sale.
5. No lot will be delivered to any purchaser without presentation of a Buyers Pass, and no lot may be removed from the cages without supervision by the Auctioneers' Porters.
6. All lots are the responsibility of the Vendor up to the fall of the hammer and at the risk of the Purchaser thereafter.
7. Any stock showing signs of excessive stress, ill health or injury may be removed from the sale at the Organiser's discretion and no refund of Entry Fee will be made.
8. All lots to be sold in the order catalogued. Any lot which fails to reach its reserve price (if any) will be passed and no refund of Entry Fee will be made.
9. The Vendor of each lot is solely responsible for the correctness of information supplied regarding his entries. Purchasers are deemed to have satisfied themselves, by inspection, prior to sale, as to the physical quality, condition and description of each lot and every lot is sold with all faults and imperfections as seen.
10. Any change to the lot as described on the Entry Form may only be made at the discretion of the Sales Organiser, and a notice of any change must be clearly displayed on the cage.
11. Neither the Sale Organiser, nor the Auctioneers will be responsible for any accident or injury to persons or property through fire or any or any other cause whatsoever; nor any damage by stock, prior to, during or after the sale.
12. All lots are accepted for sale on the terms that the Vendor warrants his or her right to sell same and undertakes to indemnify the Sale Organisers/Auctioneers against any claims to which they may be exposed by reason of any defect in the Vendors title.
